*With all our love forever,
your Daughter, Linda; Grandchildren Christopher
and Alison; and Great Grandchildren, Robbie and
Arya*

When I must leave you for a little while
Please do not grieve and shed wild tears
And hug your sorrow to you through the years.
But start out bravely with a gallant smile;
And for my sake and in my name,
Live on and do all things the same,
Feed not your loneliness on empty days,
But fill each waking hour in useful ways,
Reach out your hand in comfort and in cheer
And I in turn will comfort you and hold you near;
And never, never be afraid to die,
For I am waiting for you in the sky!

Make you to shine like the sun,

PRAYER TO ST. MICHAEL THE ARCHANGEL

Saint Michael the Archangel, defend us in battle.
Be our protection against the wickedness and
snares of the Devil.

May God rebuke him, we humbly pray;
and do Thou, O Prince of the Heavenly Host,
by the Power of God, cast into hell Satan
and all the evil spirits, who prowl through the
world seeking the ruin of souls. Amen.

To all the amazing women that donated to
our Box of Joy service project last year

Thank you

Cross Catholic Outreach - Box of Joy

Our Diocese committed to filling 50 shoeboxes with small toys and other items. Along with filling each box, a \$9.00 per box (\$450) donation was requested to cover the cost of shipping. I am emotionally overwhelmed by the generosity of the women of our Diocese. Not only did we fill those 50 boxes, but we had supplies left over that we donated to the ministry to help fill additional boxes; and our amazing women gave beyond \$450 and which was donated to help with shipping other boxes.

My gratitude to you
and your ladies is
immense.

Thank you SO MUCH.

The goal of the team at Gentle Foot Care Clinic is to provide comprehensive podiatry care for men, women, and children living in and around Zephyrhills and Brandon, Florida, and throughout Pasco and Hillsborough Counties.

Expert podiatrist, Jairo Cruz, DPM, leads the team and specializes in the diagnosis and treatment of a variety of common foot and ankle-related health problems. Whenever possible, Dr. Cruz recommends conservative measures of care to treat these issues, but when necessary, he also performs minimally invasive surgery. Oftentimes, healthy lifestyle changes such as diet and exercise, as well as at-home treatments like stretches, rest, and alternating between ice and heat are enough to relieve pain and discomfort.

Dr. Cruz always sets aside plenty of time to meet with new patients and develop unique treatment plans based on their health history, concerns, and background. His attention to detail and commitment to patient satisfaction ensures all of his clients receive the best quality care.

To receive the best, most comprehensive podiatric care, partner with the team at Gentle Foot Care Clinic. Make your appointment today by calling the office nearest you or by clicking the online booking tool.
